Agenda:

- 8:00 - 10:00 NEC Chapter 800 2008 (2 NEC CEU Hours):** Communications cabling installations with an emphasis on grounding, bonding, and antennae installation requirements. Trainer: PLT Services
- 10:15 - 12:15 NEC Chapter 725 2008 and Related Articles (2 CEU Hours):** The National Electric Code chapters that related to Class 1, 2, and 3 wiring. Related chapters such as Hazardous locations and technology are referenced. Trainer: PLT Services.
- Lunch break:** There is a restaurant in the Country Inn & Suites that technicians can go to. Lunch is not provided by MNESTA.
- 1:15 - 5:15 GSM Communications (4 CEU Hours):** The class will focus on understanding the AlarmNet network, proper wiring, correct placement of the communicator and radio programming, registration of the unit and troubleshooting. Trainer: Steve Filippini, Regional Technical Manager, Honeywell Security.
- Registration:** To register for training call PLT Services at 763-413-8217. Please have your PLT license number and complete contact information available. When you register, you will automatically be registered for all morning and afternoon sessions. PLEASE NOTE: If you register for this day of training and do not attend, without a five day notice to PLT Services, your company will be billed \$50.

If you attend all three training sessions you will receive a total of eight CEUs that will apply to your PLT license. Four of these CEUs will apply to the NEC portion. As a reminder, a total of four NEC CEUs are required every two years for license holders.
