Joining your fellow MNESTA members for Power Limited Technician training!

Agenda:

- 8:00 - 10:00** **NEC Chapter 800 2008 (2 NEC CEU Hours):** Communications cabling installations with an emphasis on grounding, bonding, and antennae installation requirements. **Trainer:** PLT Services.
- 10:15 - 12:15** **Minnesota Rules effective 12 – 2007 (2 CEU Hours):** This class is a comprehensive explanation of the rules and the changes effecting Licensing, Registration, Testing, Advertising and many more topics. This class is most helpful to Managers, Responsible licensed individual, and business owners. This is an interactive presentation that will keep you interested and help you remember what you learned. **Trainer:** PLT Services.
- Lunch break:** **There is a restaurant in the Country Inn & Suites that technicians can go to. Lunch is not provided by MNESTA.**
- 1:15 - 5:15** **5800 Wireless Class (4 CEU Hours):** The class will examine wireless devices and their application for use in security equipment. It will provide the students with a knowledge of wireless devices, uses, applications and programming. **Trainer:** Steve Filippini, Regional Technical Manager, Honeywell Security.
- Registration:** To register for training call PLT Services at 763-413-8217. Please have your PLT license number and complete contact information available. When you register, you will automatically be registered for all morning and afternoon sessions. PLEASE NOTE: If you register for this day of training and do not attend, without a five day notice to PLT Services, your company will be billed \$50.

If you attend all three training sessions, you will receive a total of eight CEUs that will apply to your PLT license. Four of these CEUs will apply to the NEC portion. As a reminder, a total of four NEC CEUs are required every two years for license holders.
