## MNESTA Training Classes Wednesday, October 12, 2011

Joining your fellow MNESTA members for Power Limited Technician training!

### **Agenda:**

8:00 – 12:00: **The National Electrical Code and the PLT Part II (4 CEU Hours):** This class is a 4 hour continuation of the NEC part 1. Highlighting additional parts of the code that concern the installation of Technology Systems. This class meets the 4 hour State code requirement for renewal of the PLT License.

**Lunch break:** There is a restaurant in the Country Inn & Suites that technicians can go to.  
**Lunch is not provided by MNESTA.**

1:00 - 5:15: **Alarm Basics 101 & Fire Alarm Basics (4 CEU Hours):** To gain an understanding of basic burglar alarm and fire alarm systems, and the components of the systems. To develop and understanding of the input and devices and communications of these systems. Steve Filippini, Regional Technical Manager, Honeywell Security

**Registration:** To register for training call **PLT Services at 763-413-8217**. Please have your PLT license number and complete contact information available. When you register, you will automatically be registered for all morning and afternoon sessions. PLEASE NOTE: If you register for this day of training and do not attend, without a five day notice to PLT Services, your company will be billed \$50.

If you attend all training sessions you will receive a total of eight CEUs that will apply to your PLT license. Four of these CEUs will apply to the NEC portion. As a reminder, a total of four NEC CEUs are required every two years for license holders.
