## MNESTA Training Classes Wednesday, November 9, 2011

Joining your fellow MNESTA members for Power Limited Technician training!

### Agenda:

- 8:00 – 10:00** **NEC Chapter 725 2008 and Related Articles** (2 CEU Hours): The National Electrical Code chapters that relate to Class 1, 2, and 3 wiring. Related chapters such as Hazardous locations and Technology areas are referenced.  
*This class meets the State requirement for Code hours.*  
**Trainer:** PLT Services
- 10:15 – 12:15** **Advanced Burglar Alarm, A sequel to Basic Burglar Alarm Detection and Operation** (2 CEU Hours): This class for the individual that has taken the Basic introduction class, or has at least 3 years' experience in the field. **Trainer:** PLT Services
- Lunch break:** There is a restaurant in the Country Inn & Suites that technicians can go to.  
Lunch is not provided by MNESTA.
- 1:00 - 3:00** **Alternate Alarm Reporting Issues** (2 CEU Hours): This class covers problems that arise from things like the addition of DSL to a line, Voice over IP, and no regular phone line access. Alarm reporting the old fashioned way will also be discussed.  
**Trainer:** PLT Services
- 3:15 – 5:15** **Low Voltage Wiring** (2 CEU Hours): This class is an overview of Voice, Data, Audio, and Alarm Installation best practices, primarily with a residential emphasis.  
**Trainer:** PLT Services
- Registration:** To register for training call **PLT Services at 763-413-8217**. Please have your PLT license number and complete contact information available. When you register, you will automatically be registered for all morning and afternoon sessions. PLEASE NOTE: If you register for this day of training and do not attend, without a five day notice to PLT Services, your company will be billed \$50.

If you attend all training sessions you will receive a total of eight CEUs that will apply to your PLT license. Two of these CEUs will apply to the NEC portion. As a reminder, a total of four NEC CEUs are required every two years for license holders.
